Letter from the Executive Director

Dear Friends of BikeWalkKC,

As I reflect on 2025, I am filled with deep gratitude — for our tireless staff, our dedicated board members, and the countless advocates across the Kansas City metro who show up every day for safer streets.

This work matters. Every sidewalk repaired, every protected bike lane installed, every bus route saved from cutbacks is a real person walking home safely, a child riding to school with confidence, a neighbor choosing transit over a car. That future is only possible when our community raises its voice together.

Like many nonprofits, we navigate real challenges, including growing threats to federal funding. We are fortunate to have generous donors who believe in this mission. But there is still so much more to do, and we need more champions by our side.

Thank you for being one of them.

With gratitude,

A handwritten signature in white ink, appearing to be "ER", on an orange background.

Eric Rogers

Co-Founder and
Executive Director

About BikeWalkKC

Vision

We envision a Greater Kansas City where everyone moves through the city and its public spaces equitably, safely, comfortably, and sustainably.

Mission

Our mission is to redefine our streets as places for people to build a culture of active living.

Theory of Change

Walking and biking are simple solutions to complex problems of environment, health, transportation, disparity, opportunity, economy, and more.

Our biggest stories

Photo Credit: Jodi Fortino / KCUR 89.3

“I just want everybody to be safe.” - George

A driver struck second grader George as he was riding his scooter in his neighborhood. When he recovered enough to return to school, his principal worked with BikeWalkKC to organize a safe streets event for the kids and their families. Students received free helmets and practiced safe biking and scootering in a kid-sized traffic garden on the playground.

- This Kansas City school gave bike helmets to students after their classmate was struck by a car

¡Vamos Bike Share KC!

With a grant from the Better Bike Share Partnership, Bike Share KC launched its Spanish-language version of the bike share app! We worked with KCMO council members Crispin Rea and Jonathon Duncan to connect with Spanish speaking community members at community events and partnered with Telemundo for a promotion on television and social media.

- Expanding Bike Share Access to Spanish-Speaking Communities in Kansas City (Better Bike Share)
- Moverse por la ciudad es fácil, accesible y divertido. Bike Share KC te muestra cómo. (Telemundo)

“Bike Share KC helped me a lot during early morning shifts when Uber and other modes are not available for me.”

- Bike Share KC rider

Spate of tragedies spurs action for safer streets

After traffic violence killed students Hazen Workman Duffy (Hickman Mills) and Duke Ommert (Leawood), and injured Geoge Kisimba (Gladstone Elementary in KCMO), cities and school districts throughout the Kansas City metro took action. While some communities chose to restrict bicyclists in the name of safety, Kansas City, Missouri ended right-on-red in school zones. Russell Dorn, a young graduate of our Community Transportation Academy, testified at City Hall in support of safer school zones.

- [Kansas City bans drivers from turning right on red in school zones, after car kills child](#) (KCUR)
- [KC metro cities are swiftly changing e-bike policies. Is it the right solution?](#) (Kansas City Star)

*"Helping Russell speak at a city council meeting to advocate for safer crossings near his school has been my favorite experience of 2025. **Russell spoke about his friends with disabilities and his own disability that made the policy for safer streets near schools all the more necessary.**"*

- Avery J., BikeWalkKC Community Organizer

Bike Club Unbound!

Just days after graduating, East High School Bike Club alum Kevin Beltran Gonzalez took on the 50 mile course at world's premier gravel race, Unbound Gravel in Emporia, Kansas. He rode with his teacher, Andrew Killen, with support from Mitchell Williams, BikeWalkKC instructor and president of the Major Taylor Cycling Club of Kansas City.

Kevin now hopes to start a bike club at his community college!

- 10 years of bike joy with EHS Bike Club (BikeWalkKC blog)

*"Bike Club empowers students in a way they didn't even know was possible. **Independence is what so many of our kids seek.**"*

- Dr. Dennison, EHS faculty sponsor

Look Out for KC

If 68% of crashes happen on 13% of our streets, then **traffic violence is predictable and preventable**. With funding from MoDOT, BikeWalkKC blanketed intersections known for high crash and injury rates with stories of victims and survivors of traffic violence. We used billboards, sidewalk decals, social media, and a local media event to honor the victims and families, humanize the data, and emphasize that **crashes are not accidents**.

- [Look Out for KC- read the stories and tell your own](#)
- [Campaign Launches to Increase Pedestrian, Cyclist Safety](#) (Northeast News)
- [BikeWalkKC lanza “Look Out for KC” para salvar vidas en las calles de Kansas City](#) (Te lo Cuento)

*“People feel like only a criminal will kill someone with a gun, but everyone can get behind the wheel of a car and accidentally kill someone. We also need to pay attention to **what could have prevented that vehicle from striking the pedestrian on the road.**”*

-Asia Dunmore, daughter of Michelle Dunmore

By the Numbers

*"I just wanted to say **thanks for the reminders and tips about the Overland Park council meeting** last night. I was able to make a public comment last night about two areas of concern - the lack of a park & ride for bus riders in downtown Overland Park, and the need for dedicated left turn arrows at intersections to help avoid traffic crashes. Thanks again for yours and BikeWalk KC's advocacy."*

-Donna Palatas, Overland Park

Policy and Planning

3 pieces of legislation passed

10 grassroots advocacy projects supported

627 connections with elected officials

226 hours pro bono technical assistance

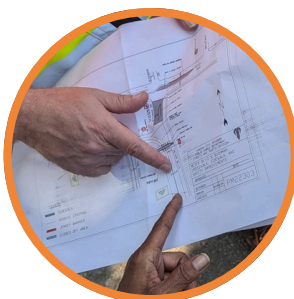

108 volunteers and walk auditors

*"As a bus rider, I cannot sit quietly while my friends who ride bikes lose the safety provided by vision zero to fund the buses I depend on. **We will not be pitted against each other.**"*

*"If people are not able to **safely walk to their destination** after they get off the bus, what is the point of the transportation in the first place?"*

When KCMO City Hall considered cutting funding for Vision Zero and bike share to prop up their shrinking transit budget, advocates linked arms in solidarity and pushed back until the City Council dropped the proposed ordinance.

- YOU DID IT: Vision Zero and Bike Share funding saved

Bike Share KC

6 equity partners provided bike share access for more than **100** riders in need

102,000 miles ridden

100,000+ pounds of carbon offsets saved

40% of riders use bike share with other RideKC transit services

*"I ride the bikes home almost every day from my job at the Kansas City Public Library. **It is my absolute favorite part of my day!**"*

Bike Share KC (formerly Ride KC Bike) is expanding access to more and more people! In 2025, Bike Share KC opened new hubs in the Pendleton Heights and Ivanhoe neighborhoods of Kansas City, Missouri, added more bike share parking options, and launched a new Spanish language version of the Bike Share KC app.

- Big news for bike share!

Youth & Adult Education

10,500 kids participated

450 helmets and **785** bikes distributed

950 students learned to ride a bike

456 adults participated

37 bike safety and education programs for adults

*"I already loved riding to school with my daughter, so the idea of **starting a bike bus made a ton of sense.**"*

The wheels are turning: Families at Hale Cook Elementary in Waldo started the KC metro's first bike bus, and Foreign Language Academy and Border Star Montessori weren't far behind!

- Hale Cook launches KC's first bike bus

Funders and Partners

BikeWalkKC is grateful for the support and partnerships of organizations, businesses, and funders. Thank you to our friends who championed safe streets and happy and healthy communities in 2025.

Members and Supporters

BikeWalkKC Members are supporters who have made a financial donation in any amount in the last 365 days. Our Members share our vision of a vibrant and active Kansas City region, where people of any age and any ability or disability can move freely and safely on our streets and sidewalks. We also appreciate those who donated bicycles to our education programs. Thank you to everyone who supported BikeWalkKC in 2025!

What happens when you donate a used bicycle to BikeWalkKC?

1. Staff replaces worn out parts and makes critical safety repairs.
2. We match the bike with a student (youth or adult!) in one of our Maintain Your Ride classes, where they practice DIY bike repair skills.
3. The student gets to keep the bike, plus a helmet, lock, and light set!

Help us keep our students rolling!

Email us at education@bikewalkkc.org to [donate a bicycle](#), or shop our [Gift Catalog to buy a safety kit](#) for a Maintain Your Ride student!

At Grounds to 'Grounds rides, BikeWalkKC and **KC Family Bike Ride** teach bike safety and help families learn to ride together on city streets - from coffeee (grounds) to playgrounds!

Board Members

BikeWalkKC is governed by a volunteer Board of Directors. They are a diverse group of community leaders with a passion for making Greater Kansas City a safer and more welcoming place for people who walk, bike, and roll. Board of Directors terms are July 1- June 30. Thank you to everyone who served as a board member in 2025:

Chair - Robin Shook, Ph.D., Director of Kansas City Healthy Lifestyles Collaborative; Assistant Professor of Pediatrics, University of Missouri-Kansas City School of Medicine; Research Assistant Professor of Pediatrics, University of Kansas School of Medicine

Past Chair - Ashley Z. Hand, AIA, Director of Local Government Service, Mid-America Regional Council

Chair-Elect - Usha Rengachary, Attorney (retired)

Treasurer - Emily Lecuyer, Chief Financial and Operating Officer, CyTek Corporation

Secretary - Anna Benton,
Founder, AEL Management LLC

Mary Estrada, community volunteer

Randi Mixdorf, LEED AP BD+C, Client Business Manager, Steelcase

Matthew Oates, Lead Electrical Engineer, Burns & McDonnell

Dede Palmer, Director of US Tax Operations, Lockton

Alissa Stinnett, Ph.D., DNP, CENP, BSN, RN, Vice President of Population Health, Centene Corporation

Melanie Austin, MPH, Vice President of Programs, MOCSA

Ellen Reynolds, Head of Central Region and West Coast Client Relationship Teams, Aperio

Join the movement

Our Members help advocate for public spaces that make walking and biking easy and safe choices for everyone. Join the movement to get more people of all ages and backgrounds walking, running, riding, and rolling in our region! Plus, our members get exclusive invitations to BikeWalkKC Members-Only events, like behind-the-scenes tours and sneak-peeks of the projects, arts, and services that make Kansas City a great place to live.

- Give online: Make a one-time gift or set up a sustaining monthly gift with a credit card or automatic bank draft.
- Shop our Gift Catalog.
- Write a check payable to BikeWalkKC and mail it to: BikeWalkKC, 1106 East 30th Street Suite G, Kansas City MO 64109.
- If you participate in the United Way Workplace Giving Campaign, you can direct any portion of your United Way gift to BikeWalkKC.
- If you have a Donor Advised Fund (DAF) at a local community foundation or financial institution, you can direct a gift from your DAF to BikeWalkKC.
- Ask your manager or HR officer if your company has an employee matching gift program. Many employers will match your gift 1:1!
